

GENERAL TARIFF

DIRECTORY LISTINGS

1. GENERAL

- 1.01 These regulations and rates apply to listings in lightface type that appear in the alphabetical directory list of customers' names and in information records.
- 1.02 The Company provides the alphabetical directory list and information service solely to permit the finding of telephone numbers listed. Listings are therefore limited to information essential for this purpose and are to conform to the Company's specifications.
- 1.03 All customers' services are listed except those for which the customer requests privacy. The limitation of the Company's liability in respect of such omission of listings is specified in Section 80-12.
- 1.04 The customer is to authorize the listings for service including any joint user of the service. Listings of the names of persons, firms or corporations who are not customers, or of any trade name, must be authorized by such persons, firms or corporations or by the proprietor of such trade name.
- 1.05 The Company prepares listings in accordance with the letters of the English and French alphabets only and may use such abbreviations, as it considers necessary.
- 1.06 When two or more central-office lines are furnished for the same customer, one primary listing is provided. Customers with non-equivalent lines may have primary listing for these lines in the form of extra listing if required.
- 1.07 The Company reserves the right, on proper showing, to discontinue or refuse to accept any listing that is found to be contrary to law or to the regulations herein.

2. LISTINGS PROVIDED WITHOUT ADDITIONAL CHARGE

- 2.01 The Company provides one listing in light-face type without additional charge in the alphabetical directory list for the serving exchange as follows, except where otherwise stated in this Tariff:
- (a) For each individual line, except that when two or more such lines of the same customer are arranged for equivalent service, only one listing is provided without additional charge.
- 2.02 Emergency call listings may be provided without additional charge for police and fire services, at the discretion of the Company.
- 2.03 Listings are provided without additional charge for specified services as stipulated in this Tariff.

GENERAL TARIFF

DIRECTORY LISTINGS

2.04 When a government has numerous separately listed telephone services in one exchange, the Company may provide, without additional charge, a special directory list of the frequently called telephone numbers, in addition to the regular listings, if in its opinion this will facilitate the correct routing of calls to such numbers and thereby substantially reduce the number of telephone requests for information about them.

3. PRIMARY LISTINGS

3.01 A primary listing is the principal listing of the customer's service and of the joint user. Each additional listing, whether chargeable or not, is subject to the regulations for extra listings.

3.02 A primary listing consists of the following:

- (a) The name of the customer or joint user if a person, firm or corporation, otherwise the name under which the principal business of the customer or joint user is regularly conducted. The name will also be that of a person for whose use telephone service is applied for by another person. When a customer has business and residence service in the same name, the name may be omitted from the residence primary listing if the latter is indented under the business listing.
- (b) The standard designation for a business listing. If the customer or joint user is engaged in more than one line of business, the designation is that of the principal business or some suitably descriptive term. If the listed name of the customer or joint user indicated the nature of his business, the designation is omitted.
- (c) The address of the premises at which service is furnished, except that the address may be that of other premises or may be omitted when warranted, in the Company's opinion, by the circumstances (i.e. privacy concerns as in the case of shelters).
- (d) The telephone number of the service.

3.03 When a customer has two or more services, the primary listing for each service in excess of one may be in one or the forms specified for extra listings.

4. EXTRA LISTINGS

4.01 Extra listings are provided in addition to the primary listing to facilitate the use of the alphabetical directory list and information service. Extra listings, which in the Company's opinion, are worded to secure a preferential position in the alphabetical list or other undue prominence are not provided.

4.02 A business extra listing is one that is indented under the listing of a business service or show the telephone number of a business service, except as specified in Sections 3.02 (a) and 4.05 (c).
