

GENERAL TARIFF

INDIVIDUAL LINE SERVICE

---

1. GENERAL

1.01 Individual-line service is a grade of customer exchange service that provides for the connection of one telephone to a central-office line.

2. REGULATIONS

2.01 Arrangements may be made for a customer to have two main telephone services at different locations within the same wire-centre area so that calls for both services can be received at either or both service locations.

(a) If the two services are connected to the same central office line, no further arrangements are required;

(b) If the two services are connected to different central office lines, the lines are interconnected in the central office without additional charge. Only one main telephone service can be connected to each central office line and the individual line service rate applies for each service.

3. RATES

3.01 Rates for individual services are given in Item 100.4
